

Toms River Mayor's Advisory Committee on Developmental Disabilities

Community Resource Directory

Introduction

Dear Friends and Families:

On April 2, 2003, the first meeting of the Toms River Mayor's Advisory Committee on Behalf of Children and Young Adults with Developmental Disabilities took place. The Toms River officials legally changed the name to the *Toms River Mayor's Advisory Committee on Developmental Disabilities*. The goal of the committee is to educate and advocate for the families and individuals with developmental disabilities and to serve all people with developmental disabilities through our municipal officials. There are twenty-five agency representatives, parents and self-advocates appointed every year to a one year term including 21 Plus, The ARC and Children's Specialized Hospital just to name a few.

Every year the committee sponsors an Information Fair. Families, friends and visitors can gather to meet with over 50 service providers and agencies to learn about their cause and the social and recreational programs which they provide. Additionally, the committee holds a monthly public meeting, offers special lectures on topics of current interest, sponsors a social night for special education high school students, produces a resource manual containing important contact information of local groups, participates in Founders Day and participates in the Recreation Committee.

I would like to take this opportunity to commend everyone who dedicates their time and effort to the *Toms River Mayor's Advisory Committee on Developmental Disabilities*, and I look forward to the years ahead and working with everyone to achieve a successful committee.

Very truly yours,

Thomas F. Kelaher
Mayor
