BUDGET MESSAGE

2014 Budget Message

The 2014 Toms River Township Municipal Budget has been formulated with one overriding goal and objective in mind which is to continue to provide a high-quality level of services to the residents of Toms River without interruption in spite of some rather formidable challenges.

Most notably, the Township and its residents continue to recover and rebuild from the devastation of Super Storm Sandy. The Township will continue to respond to the needs of those residents and funding has been provided in the 2014 budget for continuation of the Township's efforts. In addition, the winter of 2014 has been one of the most severe winters on record and the budget reflects a large increase of over \$1.2 million in costs for snow removal consistent with 5 major winter storms that required large commitments of manpower, equipment and salt.

Other notable factors which are reflected in the budget are as follows:

- The Township ratable base which was severely impacted from Super Storm Sandy (loss of \$2 billion) has started to recover. The new ratable base for 2014 reflects recovery of at least one-third (over \$700 million) of the amount that was lost due to the damage from Sandy. That factor has a very positive impact on the tax rate for 2014 and going forward for all of the taxing entities.
- As noted above, the Township enhanced staffing levels in certain specific departments (including but not limited to Building Inspection, Land Use/Zoning, Public Works and Police) in order to meet the needs of the residents whose properties were damaged from Sandy. The Township is continuing the increased staffing levels through 2014 as the demand for services continues. The Building Inspection Department opened a substation in Ortleigh Beach to assist homeowners and contractors in the rebuilding process. Approximately 40% of the Township Budget is dedicated to the direct service delivery categories of public works and public safety. It should be noted that although there are increased expenditures for the building inspection department, those expenditures are offset completely by corresponding revenue so there is no impact on the tax rate.

- Consistent with the nationwide trend in the United States, health insurance costs continue to increase and the 2014 budget reflects an increase of over \$1 million in this category. In order to try and offset these costs somewhat, as of 1/1/2014, the Township is offering a much less expensive medical insurance plan to new employees which will save approximately 14 % for each new employee. In addition, the phase in for payment of health insurance premiums by employees has begun for all bargaining units and this will also have a positive impact on this category in the ensuing budget years.
- The appropriation for the Reserve for Uncollected Taxes has also been increased in this budget by over \$347,000. It is vital to note that the Reserve for Uncollected Taxes is a mandatory budget line item and the formula for this appropriation is set by State regulation. This category now represents over 7.6% of the overall Township budget.
- The Township is utilizing more Surplus this year (+ \$5 million) in order to try and keep the tax rate as low as possible.
- There is a decrease in FEMA Community Disaster Loan funding which is no longer available of (\$5 million). This was one-time revenue which may or may not have to be paid back in future years.
- The anticipated revenue under the category of Delinquent Tax Revenue had to be reduced this year by (\$2.2 million) which is based on the amount of delinquent taxes that are available to be collected.
- The Budget includes funding from the State Community Development Block Grant Essential Services program; however that funding is subject to State approval.
- The budget as introduced reflects an increase in the tax rate of approximately **3.8 cents per \$100 of assessed valuation**. It should be noted that approximately one cent of this increase is due to the winter storm costs associated with snow removal for the 5 major winter storms.
- The following information is provided pursuant to the requirements of Chapter 2 of P.L. 2010: Projected total annual cost of the Township's health insurance program for 2014 is \$16.5 million. Employee contributions in 2014 are projected to be \$636,000. The balance of \$15,864,000 shall be paid by the Township, as the employer.

NOTE:

MANDATORY MINIMUM BUDGET MESSAGE MUST INCLUDE A SUMMARY OF:

1. **HOW THE LEVY AND APPROPRIATION "CAP" WAS CALCULATED.** (Explain in words what the "CAPS" mean and show the figures.)
2. **A SUMMARY BY FUNCTION OF THE APPROPRIATIONS THAT ARE SPREAD AMONG MORE THAN ONE OFFICIAL LINE ITEM** (e.g. if Police S & W appears in the regular section and also under "Operations Excluded from "CAPS"" section, combine the figures for purposes of citizen understanding.)

CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET

- A plan for all capital expenditures for the current fiscal year.

If no Capital Budget is included, check the reason why:

Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line Items and Down Payments on Improvements.

No bond ordinances are planned this year.

CAPITAL IMPROVEMENT PROGRAM

- A multi-year list of planned capital projects, including the current year.

Check appropriate box for number of years covered, including current year:

3 years. (Population under 10,000)

6 years. (Over 10,000 and all county governments)

___ years. (Exceeding minimum time period)

Check if municipality is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM

Capital Budget Message:

The following pages itemize and summarize the Township of Toms River Capital Improvement Program for the next 5 years based on the best information available. The Capital Improvement Program is designed to be flexible in order to respond to unforeseen circumstances that arise so the following pages should be viewed as a planning document which is subject to change.

The highest priority has been placed on the replacement of old infrastructure including but not limited to streets/roads, drainage facilities, bulkheads and other township facilities. It is critical to address the ongoing maintenance and repair of aging infrastructure to assure that the facilities remain operational. Funding has also been allocated for replacement of aging equipment under the township's overall equipment replacement program. The Township is currently concentrating on replacement of facilities and infrastructure that was damaged as a result of Super Storm Sandy. A majority of those projects have been completed with more slated for completion in 2014.
