The Toms River Bureau of Fire Prevention is proud to announce the acceptance of credit cards for payment. This important step in moving forward in our ever changing environment allows our customers another form of payment for the services we provide, as well as a secure way of processing the payment. Currently our office staff is capable of accepting payment in the office and over the phone. In the near future, we will be able to accept online payments through our website. Our field inspectors will also have the capability of accepting credit cards in the field during their inspections.

James Mercready, Chief Inspector
