CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET

- A plan for all capital expenditures for the current fiscal year.

If no Capital Budget is included, check the reason why:

- Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line items and Down Payments on Improvements.
- No bond ordinances are planned this year.

CAPITAL IMPROVEMENT PROGRAM

- A multi-year list of planned capital projects, including the current year.

Check appropriate box for number of years covered, including current year:

- 3 years. (Population under 10,000)
- 6 years. (Over 10,000 and all county governments)
- years exceeding minimum time period.
- Check if municipality is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

**TOWNSHIP OF TOMS RIVER
NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM**

The following pages itemize and summarize the Township of Toms River Projected Capital Improvement Program for the next 6 years based upon the best information available. The Capital Improvement Program is designed to be flexible in order to respond to unforeseen circumstances that arise. Therefore, the following pages should be viewed as a planning document that will continually evolve reflecting the current and expected needs of the Township.

The highest priority has been placed on the replacement of old infrastructure including but not limited to street/roads, drainage facilities, bulkheads, recreational facilities and other Township facilities. It is critical to address the ongoing maintenance and repair of aging infrastructure to assure that the facilities remain operational for our residents. Funding has also been allocated for the replacement of aging equipment under the Township's overall equipment replacement program to ensure critical services such as trash collection, recycling and storm recovery operations can be safely and effectively maintained.

The Capital Projects identified herein reflect plans of the governing body and will only become effective upon successful passage of the applicable ordinances.
